Christmas Train Tickets Now Available on the East Troy Railroad!

Reservations are needed for the popular trains to Santa's Workshop

EAST TROY, WI – Tickets for the 2022 run of Christmas Trains from East Troy to Santa's Workshop at the Elegant Farmer are now available, but they are selling fast, according to East Troy Railroad President Ryan Jonas. "If families want to come, they should make their plans and make their reservations soon."

The best way to make reservations is online at the railroad's website, using this link:
easttroyrr.org/christmas-train.

Christmas Trains at the East Troy Railroad Museum begin running again on Saturdays and Sundays starting November 25th and run through Sunday, December 18th. These fun, family-friendly rides take passengers from the East Troy Depot at 2002 Church Street in East Troy to Santa's Workshop at the Elegant Farmer and back. The rides are just under two hours per round-trip and they include a visit with Santa, where families and children can have their photos taken.

"Santa's Workshop will be better than ever and all children will receive a small gift that is fitting for the occasion," according to Jonas. "Our historic railroad cars are heated and rest rooms and free parking are available at the East Troy depot."

Tickets can be purchased online anytime. Adults are \$23.00, children (ages 3-14) are \$20.00, and infants and toddlers are \$8.50. Everyone needs a ticket to board and advance reservations are required.

Trains will depart at 9:00am, 10:30am, Noon, 1:30pm and 3:00pm on the following Saturdays and Sundays: November 26 & 27, December 3 & 4, December 10 & 11, and December 17 & 18.
Please note that the Friday and Saturday evening trains have already sold out. There is no 3pm train on December 3rd.

About Us: The East Troy Railroad Museum operates regular 14-mile round trip excursions from its historic East Troy Depot and Museum to Indianhead Park in Mukwonago, with a stop at the popular Elegant Farmer store and deli. This not-for-profit railroad is operated and managed by over 130 volunteers dedicated to engaging visitors in the heritage of electric interurban railways and trolley systems through restoration, preservation and operation of historic equipment.
