

**CHARTER TRAIN RIDE AND BOX LUNCH  
OVERVIEW**

---

---

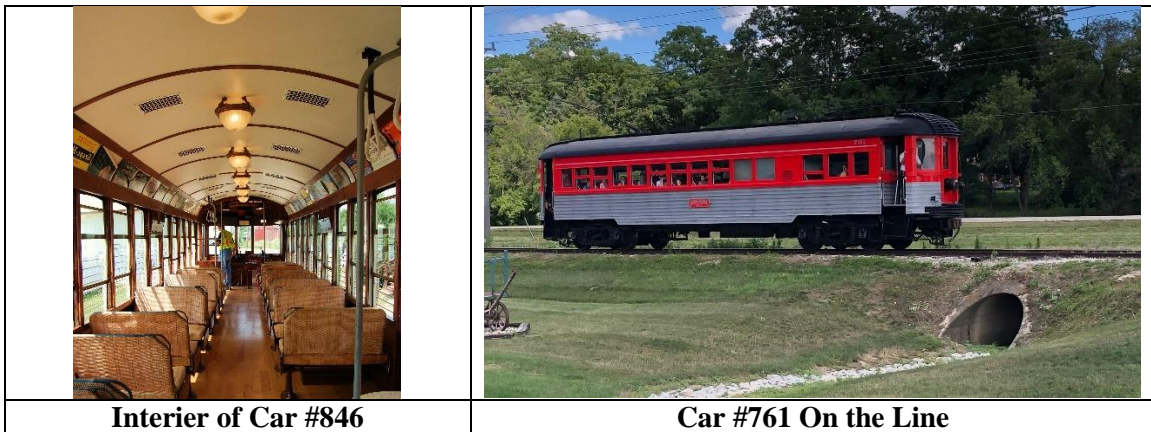

Box Lunch charters offer a simple, economical way to add a meal before, after, or during a park stopover to your train ride! Perfect for birthday parties, family outings, or creating a unique group event.

Your train ride through the countryside offers the opportunity to stop and eat lunch in Brynes Park (you must reserve the pavilion), in Indian Head Park near the water, or at the picnic tables around the Depot. You may customize a chartered event by bringing your own cakes, treats, etc. You can also arrange (prior to the day of the charter) stops in the parks or at the Elegant Farmer.

Give us a call 262-642-3263 to check dates or work out what you would like to do.
