### **Father's Day Dinner Train Kicks Off Series of Elegant Dining Events**

EAST TROY, WI - If you know a dad who likes trains, imagine how much he would enjoy an elegant dinner on a train. Your table will be set with linen tablecloths, attractive China and glasses, and you have a choice of a Bacon-Wrapped Filet or Blackened Salmon for the entrée of your four-course dinner.

The Father's Day train kicks off a season of elegant Dinner Trains on the East Troy Electric Railroad, which operates the last 7 miles of the original track from The Milwaukee Electric Railway & Light Company system.
